Contract Vehicle: GSA Schedule 70 (#47QTCA18D00K3)
Bonding: \$18M - Aggregate | \$5M - Single

Cinteot, Inc. has been in business and working with the Department of Defense and other government agencies for the past 8 years. Because of our extensive experience and excellent standing with our clients, we are expanding our range of services.

Cinteot has taken an initiative to seek out and hire experts with wide-ranging and highly successful experience in construction and general contracting. Our Construction Management (CM) staff has collectively more than 65 years of construction experience.

Cinteot CM Team has significant federal experience, which includes construction activities for USACE and other federal programs. Our professionals have at minimum all federally required trainings, OSHA 30-Hour Construction Training, USACE Construction Quality Management Certification, and multiple other industry construction safety & quality certifications.
